NUMBERS ARE
IMPORTANT!

75,000

www.stba.com

That's how many times people logged into our website last year. In just the last two weeks we have had 1564 more. The Southern Tier Builders Association's web site Racks up enormous numbers month after month. Everyone of those people logging on is in some way tied to the construction industry. They're your target market. For less than fifty cents a day, you can have a banner ad on our websites home page that runs 24/7 three hundred and sixty five days a year. Most people spend more than that for their morning coffee!
